EASTON AREA CORVETTE CLUB

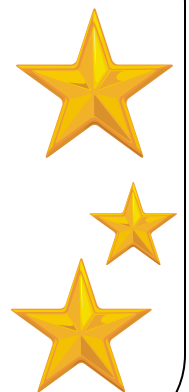

The Easton Area Corvette Club was formed in 1968. There are only two requirements for membership in the EACC; owning a Corvette and wanting to enjoy your Corvette with others. Being a family oriented club, we participate in events that are geared toward the entire family. Cruises are held during the summer to help raise money for Camelot House for Children and other local charities. Each August, the EACC holds a car show called Vettes for Pets which raises much needed funding for the Center for Animal Health and Welfare. As a well established car club in the Lehigh Valley, the EACC also participates in local parades and cars events throughout the spring and summer months. Each year we also donate money to various local charities. The EACC holds a family picnic every July and a Christmas Party in December for all members and their families to attend.

As a new member of the Easton Area Corvette Club, you will receive a dash plaque for display in your car at club events and membership card. Upon renewal of membership each year, a new membership card will be issued. Membership is from January to December.

Our individual membership dues are \$ **FREE** for the first year and \$30.00 each year after provided your membership is renewed by January 15th. Any renewal received after January 15th will be \$40.00. We also offer a Husband/Wife/Significant Other membership. Dues for this membership are **FREE** for the first year and \$50.00 each year after provided both renew at the same time.

Please make checks payable to EACC and mail with application to:
EACC · P.O. Box 3969 · Easton, PA 18043-3969
